The ability to recruit the right people to work for you is crucial to anyone who wants to advance their career. Written by Nigel Cumberland, a leading expert on recruitment as both a coach and a practitioner, this book quickly teaches you the insider secrets you need to know in order to build a brilliant team. The highly motivational 'in a week' structure of the book provides seven straightforward chapters explaining the key points, and at the end there are optional questions to ensure you have taken it all in. There are also cartoons and diagrams throughout, to help make this book a more enjoyable and effective learning experience. So what are you waiting for? Let this book put you on the fast track to success!

Effective communication in business and commercial organizations is critical, as organizations have to become more competitive and effective to sustain commercial success. This thoroughly revamped new edition distils the principles of effective communication and applies them to organizations operating in the digital world. Techniques and processes detailed in the book include planning and preparing written communication, effective structures in documents, diverse writing styles, managing face-to-face interactions, using visual aids, delivering presentations, and organising effective meetings. In every case the authors consider the potential of new technology to improve and support communication. With helpful pedagogical features designed to aid international students, this new edition of a popular text will continue to aid business and management students for years to come. Additional content can now be found on the author's website - [www.rethinkbuscomm.net](http://www.rethinkbuscomm.net)

Sport has a number of distinctive characteristics which impact on the extent of its globalization. This book seeks to gain a deeper understanding of the unique development in sports, its governance, its logic of co-creation of value and the advancement of the industry towards internationalisation, professionalization and commercialization

level history topics through an engaging, in-depth and up-to-date narrative, presented in an accessible way. - Aids revision of the key A level history topics and themes through frequent summary diagrams - Gives support with assessment, both through the books providing exam-style questions and tips for AQA, Edexcel and OCR A level history specifications and through FREE model answers with supporting commentary at Access to History online ([www.accesstohistory.co.uk](http://www.accesstohistory.co.uk)) China: From Empire to People's Republic 1900-49 In 1900 China was politically undeveloped and economically exploited by western colonial powers. Over the next fifty turbulent years it had rejected its imperial past, welcomed republicanism, survived Japanese occupation, witnessed civil war and embraced a Marxist revolution. These extraordinary developments are examined in this book which combines a factual narrative with up-to-date analysis of the events.

Summary: "Cambridge English for Human Resources covers a wide range of topics of concern to human resources and personnel development, from understanding the essentials of resourcing and outsourcing through to strategic HR. The ten standalone units allow learners to focus on the areas of HR and Personnel Development most important to them. As well as teaching the specialist vocabulary and theory of HR, the course also develops job-specific skills such as coaching, designing and implementing appraisal systems, managing conflict and others."--Cambridge website, viewed 1st Sept, 2011.
